

Addendum to General Public Announcement

After the issuance of general public announcement dated 28.12.2019 wherein the physical meeting of 167 allottees was convened, IRP received one e-mail from the allottee wherein the allottee apprised to IRP that he was part of defective list and had not given any preference, therefore he is entitled to attend the meeting.

A bare perusal of the order dated 17.12.2019 clearly reveals that the Hon'ble NCLAT had directed the IRP to call the meeting of "**allottees**" who has not given any preference and has nothing to do with claim. Hence the allottees of defective list who has not given any preference are found to be entitle to e-vote, attend and participate in the physical meeting dated 03.01.2020. The list of such allottees is annexed herewith and IRP will serve the notice of the meeting to such allottees individually.
